

PARKING FOR THE TRIAL

OLD SMELTER SITE/PARC FERME

Overnight parking of vehicles

Overnight parking is available in the Old Smelter Site and a **£10 per vehicle per night charge will be payable by everyone who uses it** as we now have to pay the landowner for the use of this area.

We are relying on your honesty to tell us how many nights you are staying and to pay what you are due otherwise the future of having the facility to stay overnight at the event hangs in the balance. We were very heartened by the honesty of the majority of the users of this area in 2022 and hope that this continues this year. The event would not be the same without this area being available to us so please help us maintain it by paying what you are due.

Portaloos, an IBC for camper toilet waste and a rubbish skip will be situated in this area for your use and we kindly ask that you ensure this area is left clean and tidy. The Ice Factor is currently closed and we are making arrangements to ensure fresh drinking water can still be accessed. Showers will NOT be available for use in the Ice Factor building.

How to pay for your stay

The best and simplest way for the Trial Secretary would be for you to pay in advance by bank transfer. Instructions on what you need to do are available from our website – www.pre65scottish.com. If advance booking is not possible, you can make a cash payment for your stay in person at the trial. A ticket to display on your windscreen will be issued and instruction on where you should collect it will be given to you at the time of booking. All vehicles **MUST DISPLAY A VALID TICKET.**

Day Parking

An Honesty box will be at the entrance to the Parc Ferme for your donations.

LANDOWNER REQUESTS FOR THE PARC FERME

No open Fires permitted

Flying of drones in this area are NOT permitted

Thank you for your consideration by abiding by these very simple requests. By doing so and by leaving this area in a clean, tidy and undamaged condition will make it easier for the Club to negotiate the use of this area in the future. Many thanks.

PLEASE REMEMBER THE ENTRANCE TO THIS AREA IS ALSO A LIVE WORKING SITE AND YOU ARE REQUESTED TO ENSURE THAT YOU ONLY PARK IN THE AREA DESIGNATED FOR USE BY THE PRE'65 SCOTTISH TRIAL. YOUR CO-OPERATION IS VERY MUCH APPRECIATED.
